

## Directions to Ffynnonddewi, Solva, Haverfordwest, SA62 6LR

If following SatNav, the destination doesn't quite bring you to our property, but to our nearest neighbours at Birtwick Park (usually horse boxes in the yard).

From there:

- Take the **right** hand fork, which is straight ahead of you following these signs

- Continue on this road, past the first left turn, until you see the **FFYNNONDDEWI HOLIDAYS** sign on your left at the gate in our top field. Follow the track down into the camping field.

*Please report to the static caravan on arrival. If there is no one in when you arrive then details of where to pitch will be on the gate, by the caravan and we will come and find you on our return*
